

Security Chimneys Product Bulletin

Secure Temp S2100 Product Retirement

Security Chimneys works actively to provide our customers the industry's most comprehensive and robust product portfolio. As a part of these ongoing efforts, and in order to streamline our product offerings, we have retired the S2100 30° Angled Firestop.

If you have any questions or concerns, please contact Customer Service at 1-800-667-3387 (Canada) or 1-800-361-4909 (United States).

You can also contact the Regional Sales Manager in your respective area.
